VILLA DI MONTE SOLARE in COLLE SAN PAOLO (in the province of Perugia)

In the heart of Italy, between Umbria and Tuscany, Trasimeno lake is surrounded by rolling hills: the most important of these is Monte Solare, famous since ancient times for its worshipping cult. Here in the green heart of olives, vineyards and woods, an ancient patrician villa and its centuries old farm houses were converted into a luxury hotel in 1989. Since then, under the custody of Filippo and Rosi Iannarone, Villa di Monte Solare has offered its guests charm and tranquility together with courtesy and distinction. The Hotel is open all year round. The restaurant "Dolium" is situated inside the Villa and is open daily for lunch and dinner. It focuses on Umbro-Tuscan cuisine and uses natural and organic food. The Cellar inside the restaurant offers a selected choice of more than 400 Umbrian wines.

The meeting room "La Sala Calessi" provides for latest technological support. In addition the historic chapel "Santa Lucia" may be the perfect spot to exchange wedding vows in a special and intimate setting.

Inspired by the myth of the nearby Muserale valley, where Apollo relished the arts of the nine goddesses, "Le Muse" Spa Center provides for eight treatment rooms, including a Tepidarium with Sauna, steam bath, emotional shower and hydro massage tub, as well as a comfy relaxation area. This Spa offers luxury beauty treatments by "Carita Paris", as well as a vast variety of massages, aesthetic treatments and exclusive relaxation courses for individuals or couples.
